

## SCHEDA RIASSUNTIVA DEL PROGETTO

**Project Title:**

"Empowering Five Rural Schools with Smart Classrooms and Digital Learning Solutions"

**Place of Intervention (Country, Diocese, Locality)**

Country: India

Diocese: Catholic Diocese of Tiruchirappalli

Localities: Rural Schools at Keeranur, Nazareth, Pothamettupatti, Ponmalaipatti and Chinnandipatti

**Short Description of Project:**

The project aims to empower rural schools by establishing Smart Classrooms equipped with digital teaching tools such as LCD projectors, Digital Interactive Smart Boards, and laptops. Approved educational software aligned with the government curriculum will be installed, and teachers will receive training to effectively utilize these digital resources. This initiative will foster interactive learning environments, enhance students' understanding and knowledge retention, and improve overall academic performance. It will enable rural disadvantaged children to compete effectively with their urban peers in public, entrance, and eligibility exams. Quality digital education will also generate greater enthusiasm for learning and increase future school enrolment in rural areas.
